WHAT WE DO

We create the ultimate “no one saw it coming” moment. (The Big Reveal) Here’s how it works. We arrive undercover and coordinate quietly with your venue or planner. We stay in character while guests settle in (often during the wedding breakfast or after speeches). Then we launch into a big reveal performance that turns the room into a party atmosphere.

You can expect:

Professional singers with real stage experience. A fun, feel-good set designed to get guests involved. All equipment provided (PA system + wireless microphones). A smooth, stress-free setup handled behind the scenes and a show you won’t forget.

Why couples choose singing waiters

Because it's not just music — it's a moment.

Singing waiters are perfect if you want:

- A memorable surprise that guests talk about for years
- A way to lift the energy after the meal or speeches
- A fun "bridge" into the evening party
- Entertainment that feels premium, personal, and effortless

It's the kind of experience that turns a lovely wedding into a legendary one.

WHAT OUR CLIENTS SAY

If you're unsure whether to book for your event, let me reassure you that you will not regret it and the price is unreal for what you get.

We booked it for our wedding and it was the best decision that we made. The entire service from booking, paying, choosing songs, to the performance was so simple and smooth and a blast. Rach was fantastic - absolute professional and brilliant singer and an amazing entertainer as well. All our guests said it was fantastic the place just 'popped off' when it began. It made our day even more special.

Thank you for Ty for making this happen for us it was an unforgettable experience xx

Undercover singers did not disappoint! Amazing singer & fab songs that had everyone up dancing and singing along, we even got an encore after shouts of 'we want more' from the guests! Highly recommend!

Wow! Great entertainers, booked Undercover singers (waiters) for our office Christmas party, they blended into the background and ensure they chose the right time to do the "reveal". A great company to work with and professional from the 1st enquiry email to then end of the event. Would highly recommend for any event, you will not be disappointed. I need to plan another event now.....

We hired Adam from Undercover Singers for our work party this week, and he was absolutely fantastic! His performance was so good that colleagues from another department have already booked him for their own event next week. Adam brought great energy, brilliant vocals, and made the whole night unforgettable. Highly recommended for any corporate event or celebration!

Myself and my husband were amazed by Undercover Singers who were booked as a surprise for our Wedding Day! Absolutely amazing and really were 'Undercover' dressed as a barman behind the bar neither of us or any of our guests had any idea and the performance that Adam put on got all of our guests up and dancing throughout the duration of the performance! Absolutely incredible

What can i say? Amazing!!!!
Such a fantastic atmosphere and awesome people to work with, from booking to them being at the wedding was seamless. Would definitely recommend
